

QA/QC POLICY

MGC group of companies is fully committed to achieve and maintain a quality of product and services that always fulfills and exceeds the expectations of our clients. Quality is an important element which supports the company with the success in this industry.

MGC group of companies provides proper training to its staff to ensure they fully meet the work specifications. The employees are trained in – house as well as by our suppliers to ensure best practices are adapted in work. Effective training and education that is dedicated to ensuring our employees knowledge and skills are aligned and compliant with our relevant management system requirements.

Our policy is communicated appropriately to our employees, customers, suppliers, contractors and other relevant third parties.

MGC Group of Companies ensures continual improvement through periodic review of our policy, business process, objectives and targets, recognizing relevant business conditions, potential risks, changing conditions, and new information.

All the works are thoroughly inspected by the site supervisor on a daily basis and our internal quality control officer. The final inspection is then carried out with the client representative to ensure that all the works have been carried out in a proper manner as per the specifications approved.
